WOMEN EMPOWERMENT: We cannot assume the actual development of society without empowerment of women. Women are almost 50% of the total population. The man dominates women in family and society. Many acts and law are in favor of women but women always facing from atrocity, violence, etc in family. The government and many good organizations are working for the betterment of women in society. India is a country where the women place is very important in family and society.

Jharkhand Mahila Jagriti has been formed the 300 women Self Help Group in the different blocks namely Sadar, Daru, Vishnugarh and Tatijhariya of Hazaribag district. Approx 3500 women are member of the SHG. The organization feels that we cannot think the actual empowerment of women without the financial power. The financial power brings the decision making capacity among the women. Therefore, the organization tries their best to empower the women by involving the women in social work. These women play the vital role in making the ideal society. Many times they destroyed the Desi Sarab Bhatthi (Illegal liquor making unit) in villages. These women also support the other women and raise the voice against domestic violence and atrocity cases. The regular meeting and mutual help give inspiration to women for go ahead.

The organization organize the capacity building program for women like account training, leadership training, livelihood, skills development etc. The organization promotes the women for participation in the Gram Sabha and raises women issues in the panchayat for betterment of women.

Mr. Subodh kumar Das LDM and Mr. P.P.Singh DDM NABARD came to attend the last day of training and certificate distribution program. The women were happy and most of women are doing the tailoring work for their livelihood.

The organization organized many training programs for SHG group women. JMJ organized the training on mushroom production, Incense Sticks, Sewing and stitching training, Goat rearing etc. More than 450 women were trained on different trades and they are engaged in income generating activities.

Adolescents Health Fair (Anandi Mela): JMJ focused the adolescents and provide the life skills trainings for adolescent's girls. The message convey for delaying the early marriage among the adolescents and promote the health awareness among the adolescents girls. We organized the health awareness program and more than 400 adolescents were trained on adolescent's health under the program Anandi Mela. The girls were informed about the importance of delaying the marriage and health issues including the physical changes in body. JMJ organized the adolescents fair by the help of BREAKTHROUGH organization in which more than 300 people including the adolescent girls

and women participated in the program. The nuked team performed the cultural program and gave the message for delay the child marriage. The panchayat representatives also participated in program and assured to stop the child marriage in their area.

AGRICULTURE PROMOTION PROGRAM: JMJ promote the women farmers for vegetable growing. The organization organized the training programmes on different types of vegetables and shared the modern technique of farming for high production. The women were trained on selection of seeds, land treatment, use of fertilizers and pesticides and sells into the market. Approx. 100 farmers of different blocks were taken training under the program and increased their family income. The organization informed about the HYV seeds and new technique of farming including the SRI- technique. The farmers increased their crop productivity.

HEALTH AWARENESS PROGRAM: JMJ believe on phrase Health is wealth. The awareness and precaution also play a vital role in protect the health issue. The organized the health awareness program in 12 villages of 3 blocks of Hazaribag district. We can protect us from Malaria, Diarrhea, typhoid, Tuberculosis, and other water born diseases by taking precaution. The organization created awareness among the people and suggested to take precaution especially in rainy season. Total 628 villagers were participated in the health awareness program.

JMJ also organized the HIV/AIDS awareness program in village Meru. There are so many misconceptions about the HIV/AIDS. It is need to aware people about the symptoms, preventive & curative measure, treatment, test etc. The organization covered the 15 villages of 8 panchayats of Meru block. JMJ also distributed the pump lets and IEC/BCC materials to the people. The main focused to the people who go outside in other cities for livelihood.

GENDER SENSITIVITY PROGRAM: Early marriage is very common in rural area. The early marriage leads to early child bearing. So JMJ trying to delaying the marriage and want to adolescents for career oriented. JMJ organized the awareness program in 3 villages by the support of Breakthrough in which 186 villagers were present. The organization uses the Nukked Nattak, role play, wall writing etc to aware people.

One district level program was organized on protection of early child marriage in which 82 participants were attended the program. The government officers and people of breakthrough shared the bad affect of early marriage and how can we create awareness among community. They also told about the legal age of marriage and provision of punishment.
